A Letter from our Sponsor Child

Marvin is from El Salvador

Hello dear sponsors Tin Can Bay Community Baptist Church. How are you? I want to thank you for the gift you sent me. I bought a shirt, shorts and socks, and I hope you are in good health. It is a joy to greet you again. I feel very happy I will write this letter and I want to tell you about my family. This weekend we went to the beach and had a great time, my cousin, my aunt and I. I also want to tell you that that day we ordered to eat we looked at the menu and then we chose grilled chicken. We waited a few minutes, and

we went to swim for a while, and we had a great time thank God everything went very well. I had a lot of fun that day with my family. I also want to tell you that when we got to our house we watched a very funny movie together. We laughed a lot because the movie was very funny. I also want to tell you about my favourite past time; it has always been playing soccer, on weekends I have a great time with my family and friends, and I like to play soccer because it is a very good healthy sport. I exercise a lot when I practice it. I also want to tell you that one day in the afternoon we all went out as a family to the park. It was very nice to be with them. I always appreciate God for the beautiful family He gave me and I would also like to know what you do with your family in your free time.

Well, I say goodbye asking you to pray for me and my family so God will give me wisdom and understanding and so that God will always be the center of our family. I hope God blesses you together with your family and always provides us with what is necessary.

I say goodbye with much love and care, Marvin.

Let us uphold Marvin and his family in our prayers.

Afghanistan: life under the Taliban

The Taliban has ordered judges in Afghanistan to institute Sharia law across the country. Their strict interpretation will allow public executions, amputations and floggings, which follows the pattern of their brutal rule from 1996 to 2001. The Taliban is shutting down schools and flogging women who come out in public without a male companion. By these harsh measures, the Taliban hopes to project an image that will win support from Islamic State, which has accused the Taliban of being 'too liberal'. Small pockets of Christians manage to survive in a highly dangerous environment.

prayer

Thank you, Lord, for the blessings you have

bestowed on my life. You have provided me with more than I could ever have imagined. You have given me family and friends who bless me every day.

Breakfast Club (a ministry of School Chaplaincy) is run on Tuesday and Thursday mornings at the Tin Can Bay State School. This is a

fantastic way to minister to those students who are less fortunate and also a great time to get to know the kids. "If we can give just a handful of children a good start to the day, then it is worth it."

Donations of food items are always needed to allow this ministry to continue — Margarine, Vegemite, Honey, Jam, Cheese Slices (individual wraps), Long Life Milk, Milo and Apple Juice Poppers (100% juice).

John 14:16

'I will ask the Father, and He will give you another Helper, so that He may be with you forever.'

You don't have to do life on your own, the Comforter is with you to help you. The Holy Spirit has been given to us to help and strengthen us.

You can know the companionship of God through the voyage of life. He is with you and He will be with you forever.
