Pray For All People

(Based on the Enduring Word Commentary by David Guzik)

1 Timothy 2:1 - *"Therefore I exhort first of all that supplications, prayers, intercessions, and giving of thanks be made for all men."*

Supplications, prayers, intercessions, and giving of thanks: These terms describe the wide categories of our communication with God. These are the kinds of prayers that should be offered when God's people come together.

Supplication is simply asking for something. Prayer should never be all asking, but it should ask in bold confidence from God's Word.

Prayers is a broad word referring to all communication with the Lord.

Intercessions refer to the requests we make on behalf of others. As we pray, there should be a time when the needs of others find a place in our prayer before God's throne.

Giving of thanks is an essential part of our walk with God. Those who lack a basic sense of gratitude in their lives lack a basic Christian virtue.

All men: This tells us whom we are to pray for with these various means of prayer. The idea is that all people need prayer. You have never met someone that you cannot or should not pray for.

Most Christians find it easy to pray for their family, friends, and loved ones, but it should not end there. We should also pray for our enemies and for those with whom we have conflict. We should pray for those who annoy us and for those who seem to be against us. Each of these falls into the category of all men.

To pray for all men also means to pray evangelistically. We should pray for our friends who need to know Jesus, for our coworkers, and for others with whom we have regular contact.

To pray for all men also means to pray for your pastors, pray for your church, and pray for other ministries you know and love.

We can find something to thank God for regarding all men. Even those who persecute us and are against us have a place in the over-arching plan of God.

Transport Ministry

The church has been running a Transport Ministry to assist those who are needing to get to medical appointments or to visit family who are in hospital. This has been made available to people both within the church and the wider community.

To date, Greg Willmann has done the bulk of the transport but he will be leaving us shortly. Please pray God would raise up others to continue this vital ministry.

If you feel God might be calling you to assist then please speak with Heather Goodall.

The first Seenagers event for this year will take place on Friday 7th July so mark this date on your calendar.

The venue is still to be decided but if you'd like to know more information then please speak to Murray & Linda Buhse -

Outcomes from Church Business Meeting

At our Quarterly Business Meeting last Sunday the Budget for the next financial year was presented and accepted. If you were not at the meeting and would like a copy of the Budget then please see someone from the leadership.

It was also announced that the Resource Centre will be closing at the end of this month. The two ladies who work at the

Resource Centre are not wanting to continue and so it has been decided that the season for the church running this community service has now run its course.

Children's Ministries

Lighthouse Kids is for children 3 years old to the end of grade 6. It runs each week of the school term during the sermon in our Sunday worship service. Our program includes bible lessons and follow-up activities.

Breakfast Club (a ministry of School Chaplaincy) is run on Tuesday and Thursday mornings at the Tin Can Bay State School. This is a fantastic way to minister to those students who are less

fortunate and also a great time to get to know the kids. "If we can give just a handful of children a good start to the day, then it is worth it."

Donations of food items are always needed to allow this ministry to continue - Margarine, Vegemite, Honey, Jam, Cheese Slices (individual wraps), Long Life Milk, Milo and Apple Juice Poppers (100% juice).

If you would like to donate money to Chaplaincy at Tin Can Bay State School then scan the QR Code which will take you directly to the donation page.

Indonesia - The World's Largest Muslim Country

The Indonesian president is struggling to maintain Indonesia's longstanding religious tolerance. Last year the national parliament passed a revised criminal code that threatens the religious liberty that has been part of Indonesian life for decades. The blasphemy law has been expanded from one article to six, apostasy from Islam is banned and efforts to persuade a person to convert to another religion are outlawed. A former Islamic teacher turned Christian apologist was sentenced to ten years jail for his apologetics ministry.

On the other hand, the president persists in his efforts to uphold religious freedom. In a country where Christians often encounter obstacles from local governments when applying for permits to construct church buildings, the president in a recent public address reminded heads of provinces and districts of their obligation to uphold religious freedom. He reaffirmed that Christians and other minority religious groups have the same rights as Muslims in matters of religion and public worship.

Religious Liberty / Barnabas Fund

The church is trialling a new solution for people who have difficulty hearing in our auditorium during the service. The Avantree Headphone System uses individual headphones to receive sound directly from the sound desk. Feedback so far has been very positive so if you would like to give it a go then please see Pastor Mick or someone in the music team. Currently there are only 4 headsets but if it is deemed to be successful then we will be purchasing more headsets.

Links to the Sermon and Church Bulletin are emailed out each week but they are also available on our church website - www.tincanbaycommunitychurch.com.au

Church Library

The Church Library is open each week after the service. It's located at the back of the Auditorium so take time to have a browse of what's on offer.

See Kirsten Gunhold if you need assistance.
