How Much are You Worth?

A few years ago, Anne Marie Helmenstine was asked what was the actual value of a human body. Utilizing her chemistry background (PhD), she listed the elements in the body and researched their 2011 market values. She concluded that the average human was worth about a dollar, and if you could tan the skin (hide), you could raise that total to \$4.50 or \$5.00.

Recently, James Farris cited a new study which places the value of a human at 43 million dollars. The difference is not inflation, but in things Anne Marie never thought to consider. Bone marrow, DNA, antibodies, reproductive components, and organs are in great demand and therefore quite expensive.

However, there are aspects of our humanity that can't be price tagged. How do we establish values for dreams or talents? How much is a person worth who discovers a cure for cancer? What is the love for your spouse or child worth? The place we hold in the hearts of those around us truly makes us irreplaceable and therefore priceless.

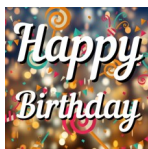

In all of this discussion, we have failed to address the most crucial part of humanity: the eternal soul that God has placed within each of us.

Jesus asked his disciples two probing questions in Mark 8: "For what does it profit a man to gain the whole world, and forfeit his soul? For what will a man give in exchange for his soul?" Each of us possess an eternal soul which possesses divine qualities. We are each a treasure and of great value to God.

Openings in Ukraine

Some of Ukraine's Christian leaders have been given unexpected opportunities as a result of the current war. Many secular counsellors deployed by Ukrainian authorities have come to Christ through the work of Christian counsellors co-opted by the government. Christian counselling has also been influential in online services. In another development, the director of a Christian radio broadcast has been drafted into the Ukrainian army as a chaplain. The large Christian component in Ukraine's population, which survived the USSR era, is a source of encouragement and strength in the current war.

FEBC/Operation World

Hebrews 13:6

So we say with confidence, 'The Lord is my Helper; I will not be afraid. What can mere mortals do to me?'

Children's Ministries

Lighthouse Kids is for children 3 years old to the end of grade 6. It runs each week of the school term during the sermon in our Sunday worship service. Our program includes Bible lessons and follow-up activities. Parents must sign children in and out.

Children must be signed in and out.

Count Your Blessings

We are so blessed in this country that we often take the blessings for granted. We ought to do as the song says, "Count your blessings, name them one by one." Here are some we can be thankful for:

- Our physical family
- Our Church Family
- God's Word
- Freedom to attend church
- The country we live in
- Prayer

Psalm 5:12

'For You bless the righteous, O LORD; You cover him with favour as with a shield.'

When we live a life that pleases God, it brings blessing on our lives. One of these blessings is His favour on our lives. That favour will be like a shield that will surround and cover us. Expect His shield of favour to protect, guard and guide you as you follow Him.

Prayer: *Lord, thank You that I can live a life that purposes to follow and to please You. I ask that Your shield of favour will now come and cover and surround me. May I live within Your circle of blessing, protection and favour. Amen.*
